(1) Please see S.N.2 of File 442 of 1928 in which the Health Officer, Station Municipality, Bangalore, was asked to entrust the scavenging work of the lock-up of under-trial prisoners , in the Resident's Office compound to the scavenger attached to the Resident's Office.

The Munsiff Magistrate states that after the Resident's Office removed to the new office , this scavenger could not continue to do this work and it is being done by the scavenger attached to the Dist. Judge's Court. The Munsiff Magistrate has therefore incurred an expenditure of annas eight a month out of his contingencies with effect from the 10th October 1930. As this is a recurring expenditure the Pay & Accounts Officer wants the sanction of the Resident.

The sanction of the Resident may, if approved, be accorded as this is a very trifling sum.

I have the honour to state that in accordance with the Secretary to the Resident's letter No.7330 dated the 6th August 1928, copy of which was communicated to this office with your endorsement No.3199-A-28 dated 9th August 1928, the cleaning of the Lock-up for undertrial Prisoners was being done by the scavenger attached to the Resident's office. After the Resident's office removed to the new offices this scavenger could not continue to do this work, and it is being done by the scavenger attached to the District Judge's Court and he is being paid annas eight a month out of Contingencies.

The Pay and Accounts Officer now points out that for this payment of annas 8/-, per month the sanction of the Local Government is necessary. I need hardly point out that the work for whose payment sanction is now being applied for is absolutely indispensable and would not suffer even a day's default, and I have only to add that I am not asking for an allotment of any extra amount as I propose meeting this expenditure out of the monies allotted to this office under the head "Contingencies - Office Expenses".

I have the honour, therefore, to request that you will be pleased to obtain the sanction of the Hon'ble the Resident for the payment of As.8/-, per month to the Scavenger who cleans the latrine of the Lock-Up.

Ref.No.2684-A-31.

Copy forwarded to the District and Sessions Judge. Kindly let me know whether the scavenger attached to your court is for doing the scavenging work of only your office or for all the offices there and whether the work referred to by the

by the Munsiff Magistrate can be done by the above scavenger without any additional remuneration.
